Dear Mr. Nittler:

Thank you for your letter post-marked June 13, 1977. After having checked our FM Log for Saturday, June 11, 1977, I can confirm that you did in fact pick up KPDQ-FM, 93.7 on the FM dial in Portland, Oregon. At 6:57 PM you picked up the last few minutes of a one hour program entitled KEYBOARD AND CONSOLE, followed by a station I.D., and a spot announcement for Mario's Studio. The 7:01 PM program you heard was VOICE OF CHINA AND ASIA with Bob and Helen Hammond.

It was interesting to find our signal reaching as far as McCook, Nevada.

Sincerely,

Jack Davis
